

§ 1710.214

The disclosure information required in § 1710.112 shall be appropriately amended to reference the parent company and not the developer and must include a statement to the effect that the developer's parent company (insert name) has entered into an unconditional guaranty to perform and fulfill the obligations of the developer.

(h) *Opinions.* If the accountant qualifies or disclaims his opinion, the Secretary may accept the statements and require such additional disclosure as the Secretary deems necessary in the public interest or for the protection of purchasers.

(i) *Copies for prospective purchasers.* Copies of the financial statements filed with the Statement of Record shall be made available to prospective purchasers upon request. A supply of the latest submitted statements shall be maintained at whatever place, or places, as is necessary to allow immediate delivery upon request by a prospective purchaser. These statements shall contain financial information only and shall not include any promotional material such as that usually set forth in annual reports.

(j) *Change from audited to unaudited statements.* (1) Developers who file audited statements must continue with audited statements throughout the duration of the registration unless, at a later date, the developer submits amendments which demonstrate to the satisfaction of the Secretary that it then qualifies for an exception from audited statements under paragraph (e)(3)(ii) of this section. For purposes of paragraph (e)(3)(ii)(C) of this section, the Secretary will consider the aggregate sales prices of only the lots yet to be sold, and may consider whether any additions to the subdivisions or reacquisitions of lots already sold would be likely to cause the dollar limits to be exceeded.

(i) The aggregate sales prices of the lots yet to be sold in the subdivision has been reduced to less than \$1,500,000.00, and that it will not exceed this amount through further additions to the subdivision, or through the reacquisition of lots already sold, and;

(ii) The sales contract provides for delivery of a deed within 120 days of the date of the contract which conveys

title free and clear of any mortgage or lien or the developer files an Assurance of Title Agreement with OILSR, and;

(iii) Any down payments or deposits are held in an escrow or trust account, or;

(iv) The developer then qualifies for exception (e)(3)(iii) or (e)(3)(iv) above.

(2) The Secretary may allow a developer, who has made sales prior to registration, to submit unaudited statements under the provisions of paragraph (j)(1)(i) of this section. The developer must demonstrate to the satisfaction of the Secretary that the acceptance of unaudited statements would not be a detriment to the public interest or to the protection of purchasers.
